

Exciting times are ahead!! Northgate, can you believe 2020 is just around the corner, and we as a church will begin to travel this road of discovery into the Prescriptions that were laid out, and we accepted to do, from the HCI Consultation Group.

An HCI Action Team, has been selected and have agreed to be the guide bearers to help the church stay on point and focused to the task at hand to implement those Prescriptions that were given to us. The following are who will represent you and help lay the framework for how we will move forward.

HCI Coach - Keith Head

They were chosen for the different gifts and ideas they possess that may help guide us in this effort to be even more of what God is calling us to be not only in the community, but with ourselves as well.

We will meet for three months in a row: December 2019 and January and February, 2020. The first meeting will be December 17th at 7pm in the Dome building, the New Revelation classroom.

At the first meeting the agenda will be two-fold to address the first two items required of the church:

- to get a full understanding from our Coach, Keith Head, as to our responsibilities
- to do the planning for the Day of Prayer & Preparation/Repentance, along with Visioning Day planning as the first two items that required of the church in our Prescriptions.

Action Team members are the persons you can talk with as we move into Phase III. As you review the HCI Consultation Report and questions arise, feel free to speak with any member(s) of the Action Team. If you do not have a report, please contact the office and we'll see that you get one.

On behave of Northgate and the Action Team, I ask you to please be prayerful between now and our 1st meeting, for the success on our job ahead as we work on the Day of Prayer & Preparation Worship, and the Vision Workshop.

Blessings to All,

Pastor Orr
